

I.S.F.I.Ma. is a non-profit-making Consortium set up in Potenza in 1986.

It works in the field of training addressed to human resources, socio-economic research and communication.

Its purpose is to provide quality services aimed at answering changes in the proper way and meeting the needs to develop know-how and qualified skills, suitable to the market's and organizations' requirements. The quality services provided are oriented to the personal and professional development of human resources, the growth of organizations, the analysis of professional profiles, economic areas, business and territorial training needs and employability spaces.

It is one of S.F.C.'s associates. S.F.C. - Confindustria Training Systems - joins and represents all the organizations working in the training field in favour of the business system. I.S.F.I.Ma. is qualified for higher and continuous training by:

- the Basilicata Region (D.G.R. n. 258/2002 and D.D. n. 1374 of 11/12/ 2003)
- the Puglia Region (D.G.R. n. 1503 of 28/10/2005 published in the B.U.R.P. n. 138 of 9/11/2005)
